Skye, the newest entrant in private jet journeys. The exquisitely outfitted Boeing 777-200LR is the largest and most spacious luxury tour jet. Available for private charter on customized global itineraries.

With a spacious design for up to 86 guests, Crystal Skye is appointed with features rarely found in even the most luxurious private jets. She has the highest crew to passenger ratio of any twin-aisle aircraft and a non-stop range of 19.5 hours, allowing travelers to explore the far reaches of the earth while enjoying the personalized service for which Crystal is renowned worldwide. Bespoke Crystal Exclusive Class™ seats are designed for maximum personal space and ergonomic comfort, and convert to 180-degree lie-flat beds. The expansive social lounge with stand-up bar fosters friendly camaraderie among luxury travelers. Cuisine will be prepared by an executive chef, in two state-of-the-art galleys and paired with an elegant premium wine list from the Crystal SkyeCellar.

Featuring exclusive features such as a 24-seat lounge with a central bar, sofas, custom coved ceilings, the largest wine cellar in the sky and ample space to socialize. Stone veneers, colored LED lighting and other premium details adorn the extraordinary interior.

### What can be said about Private Jet Journeys?

**Enthralling?** Certainly. **Enticing?** Definitely. **Extravagant?** Possibly. **Exceptional?** Undoubtedly.

**Expensive?** Not for the value. Allow your dreams to come true. Luxury private jet tours are one of the most memorable ways to see the world and can be life changing.

Not ready to charter the Crystal Skye? There are other spectacular private jet journeys with around the world and shorter regional itineraries. Lakani World Tours, Abercrombie and Kent and Four Seasons are a few I recommend.

Many of my clients use these trips as a general overview of world highlights to pinpoint destinations where they might like to return for a lengthier stay.

I urge you to take a look.
